

# MY FOOTBALL Account

## Background

---

- For over 11 years players and participants in football were identified using an FFA number.
- This old FFA number is linked to all player history stored in MyFootballClub.
- The Play Football System is replacing MyFootballClub, therefore removing the need for participants to have an FFA number, by creating a Football Account linked to more than just their registration to play or participate in Football.
- My Football is the official account for football participants and fans in Australia from December 2018.
- My Football account gives people access to football registrations, exclusive content, special offers and discounts.
  - Registration portal for all football types
  - Registration Portal for Players, Volunteers and Referees
  - Access exclusive ticket pre-sale offers
  - Receive discounts on national teams' tickets and finals series
  - Manage your preferences online

### Tips for Parents registering on behalf of their kids:

- Parents are encouraged to create a separate Football Account for each member their family. Simply use the same email address for each of the children's accounts.
- Family members once created can all be linked to a Parent Account.
- Accounts that include linked family members allow that Parent account to manage all their family member registrations. Linked accounts may also provide a discount for multiple siblings (if this is a discount on offer at the club you are registering with).
