2019

U6's

Kingsway Koalas

Kingsway Bears

U8's

Kingsway Cougars

Kingsway Cubs

Hi all, well done all players for a great first official game. Special well done to the boys who listened carefully to coaches, especially those that played defensive soccer. There was a lot of good running in second quarter, with a good few goals scored. It is so pleasing to see the new players dressed in their outfits and getting involved. Thanks to all the parents for getting the kids there! Thanks to Chirag (Kian's Dad) for running lines and coach Patrick for refereeing.

Kingsway Cats

Kingsway Cheetahs

After being well beaten the previous week the U8 Cheetahs got off to a great start in their round two game with an early goal. It was good to see the team learning to play different positions on the field and work together. There was good effort from everyone with players having opportunities to show some of their skills and make improvements. A positive game for the Cheetahs who won 8 goals to nil.

U10's

Kingsway Bulls

Once everyone was warmed up and the positions were delegated, the Bulls showed fantastic energy and enthusiasm throughout the whole match even though it was a warm day. All the players worked extremely hard as a team, both defensively and in attack. The team went down 1 nil but managed to equalise before half time. In the second half the Bulls played some lovely football and had 3 clear chances of scoring. However, they went down a second goal, but with perseverance they equalised again and the match end in a 2 – 2 draw. The team's first official match together was an amazing display and great effort shown by all and I look forward to a very exciting season ahead.

Kingsway Condors

Kingsway Lynx

The Lynx showed great promise on their first official match against the Wolves and second game they play together as a team (after last week's friendly during the opening ceremony). They scored 3 goals in the first half and 1 more in the beginning of the second half. I moved my forwards and strongest players to defence after the 4th goal, going with a formation of 4-2-2, trying to give the opposition more chances to move forward and also to

MATCH REPORTS

2019

give the opportunity of playing up front to my less confident players. Little Ewan managed to score our 7th goal and his first ever goal after 3 previously blocked attempt by the Wolves goalkeeper. Ewan got rewarded "player of the match" for never giving up: a great way to celebrate his 9th birthday on the weekend. The final score did not reflect how well the Wolves played throughout the game. They fought well till the end and demonstrated very good passing amongst their players.

Kingsway Raptors

Kingsway Wolves

U12's

Kingsway Lions

Kingsway Wasps

Kingsway Jaguars

Kingsway Hornets

The Hornets and Wasps met for the first time on a Chichester full pitch. After a frenetic start, where both teams looked evenly matched, the excessive running by the Wasps saw them tire quickly. At this point, the Hornets were able to move the ball effectively from backs, through midfield to forwards leading to a rapid fire series of team goals taking us into

mercy rule territory. In the end Hornets ran out 8 - 4 winners after mercy rule changes were made. Matt (4), James, Shalom and Jonas (2) were our goal scorers. James crossed in effectively for Matt to convert. James and Matt showed power in their shots. Shalom showed his ability to curve the ball and Jonas impressed with his speed and a sharply taken header. Special mention to Libby for her midfield ability to carry the ball past the opposition and get her shot away to the forwards, Max for his strong defence in clearing the ball safely in to touch and Ruben Anthony for his emergence as a match winning goal keeper to complement his attacking ability. Well done, Hornets!

U13's

Kingsway Pumas

Kingsway pumas defeated Valley crusaders 8-0.

Bursae was applied during the first half backline was switch to forward line strikers put into goals as goalie.

Team play exceptionally well all round with players rising to every position they were put into.

Excellent work upfront early by Dominic Marcucilli, Great work through the middle by Toban Edison, Jack Hamilton, Noah Carter. Excellent work through the backline by

Braden Richardson, Riley proud, Wes Parsons.

Kingsway Leopards

The whole team played exceptionally well very proud of them and the way in which they changed and applied the mercy rule To give the other team opportunities which they did have in the second half but what unable to capitalise on.

Really looking forward to next week as are all the kids.

U14's

Kingsway Eagles

This week we won 8-0 against Greyhounds with a great display of soccer. The boys were all over the other team the entire game and our fitness and training really showed. Congratulations to Nick Miller for an amazing performance, with a hat-trick and an amazing display in defence. Also, to Chris Zeke, who held our backline together the entire game. It was an outstanding performance by all, even when I changed their positions they were still able to adapt and dominate the game. I was very proud of the way they played the match and I look forward to see what they can do in the coming weeks.

U16's Girls

Kingsway Firebirds

U16's Boys

Kingsway Leopards 9 vs Riverside Stingrays 1

A solid performance from the boys this week, miles ahead of last week's game.

After the running game last week let us down, this week we played a fantastic passing game that saw the boys up by 5 -1 in the first 25 minutes. The stingrays had a few chances on goal, and some good attacking plays, but were closed down quickly by our defence.

It was a dominant display of football, with the boys moving the ball around the pitch, and lots of movement off the ball, working for each other with 1-2 combinations and thru balls to create an effective attack.

In defence, we were first to the ball and quick to close down any counter attacks.

After the 5th goal went in, we changed things around moving defensive players into the front line and bringing the attackers back in defence. The boys still remained solid and put 2 more away before half time.

Second half was also a solid performance, and we held off any Stingray attacks with some good tackles, and a couple of good saves. We picked up 2 late goals, with our defenders up front keen to score and putting in a fantastic effort showing that even though they play in defence

MATCH REPORTS

2019

they are more than capable of turning up the heat in an attacking role as well. Solid performance and Hat tricks from Elliot (4) and Josephus (3).

Raheim also got a great goal (1) and a Elijah was rewarded with (1) goal after a number of brilliant runs on the left wing finally paid off.

Well done Team, a fantastic effort by all, our Wednesday training session really paid off, and it was a delight to watch. Thank you and keep up the good work.

Kingsway Buffalos

Colts

Kingsway Hawks

Kingsway Hawks 1 def by Valley United 4

After 3 weeks without any games, the Hawks were up against the perennially strong Valley United this week in what would prove to be a stern test for the Hawks. Whilst Valley hadn't started the season all that convincingly, they were primed for this game and from the outset showed the Hawks a thing or two about playing desperate and hard football. Both teams started slowly however Valley were the more committed. This eventually reflected on the scoreboard with Valley taking advantage of some very unaccountable football by the Hawks and in the blink of an eye took an early 3 – 0 lead after only 15 minutes. The Hawks did

however start to ease their way into the game and managed to get one back on 24 minutes as a nice through ball by Sonny put Matt into the open and with the Goal Keeper fast approaching from the front and the Valley backs chasing down from behind, Matt kept his composure to slot the ball past the keeper into the bottom left corner of the net. This goal seemed to settle the Hawks who now started to play some good football. This also saw Valley, who had been under little pressure to now, start to make some errors as they were rushed in possession. At 3-1 on half time the Hawks were back in the contest at least. The second half continued in the same way with the Hawks now starting to dominate possession however were finding the Valley backs a hard nut to crack. Then out of nowhere, Valley were awarded a soft free kick just outside the box. The initial ball was cleared but Valley were first to it and pumped the ball back in to find a player unmarked at the back post for their 4th. From this point it was all the Hawks as wave after wave of attacking runs saw at least 4 shots that sailed either just past an upright or just over the cross bar. The final score-line of 4-1 was disappointing to take given it was probably only 15 minutes of disappointing effort that cost the team in the end. This will hopefully prove a very useful lesson for the team for the remainder of the season. A solid contribution for all without any real stand out performances. The most
