Well done all. A well fought game against the SSC Carramar with us kicking 2 to their 3. Kian scored 1 goal each - nice work! Excellent running by all players. Lots of fighting for the ball! The best players of the day went to Ben Betts for stopping a number of goals!! Thanks parents especially Stephen for running lines and the men who helped pack-up.

Kingsway Cats

Kingsway Cheetahs

The U8 Cheetahs played well in a tough 3 to 1 loss. The team showed its improvement from the first week which they had lost to the same team by a greater margin. The defensive effort was good and there were some nice attempts up forward resulting in a great goal.

Kingsway Bulls

Kingsway Condors

Kingsway Lynx

The lynx versed some serious competition on the weekend in their game against greyhounds diamonds. Some great talent in diamonds showed us a few great shots at goals saved from Jack as a first time goalkeeper. Mitchell then scored two goals for us, including a beautiful dive in, that put the ball past their goal keeper. Both goals were scored from crosses by our fast right wing, Jesse. Greyhound then equalised, keeping us on our toes, but Jeffrey managed to score the goal that gave us a 3-2 win on the day. It was a great game to watch, well done to all the players.

Kingsway Lions

We had a good game against a well polished Kingsway Hornets team. Nate was our captain leading by example and scored a well worked goal of a pass from Andre. The Lions with sustained pressure scored two more goals by Ben and Jacob. The Lions was impressive with good interplay and passing. The back-line starting with AJ, Ana, Jacob and Danilo did well defending various onslaughts by the Hornets. In midfield Kaden, Josiah and

The excitement was evident as we went into our fourth match for this season. Kingsway had the kick-off. Kyle passed to Brody who booted it up to Daniel. He carried it down the wing & on to Gabriel ...a shot.. the crowd holds its breath... but unfortunately, no luck this time. Sayan dribbles through several defenders, Zachary makes very good moves while Emmanuel is looking strong in defence. Luke puts in a few good kicks before Emmanuel – rock solid in defence - clears it. Eli is putting the Greyhounds under pressure. Brody clears the ball to Gabriel, but it goes out. Kyle is holding his position and has a great shot at goal, so close! The team plays well together but the Greyhound defence is strong. One fast Greyhounds player sprints down the wing and takes a great shot at goal but Kia does a magnificent save. Brody clears it to Daniel; Aiden holds his position well as he's put under pressure by the Greyhounds. Eli makes a good throw-in and Kingsway defence holds on strong. Ben and Josh sub on.

It is a tight battle between these two teams! Kyle escapes up the wing, but the defence are strong. Gabriel dribbles and passes to Daniel who plays very well. Zac does an amazing shot that the keeper only just gets his hands to. The Greyhounds do a handball and it is a direct penalty for us. Brody takes it and scores!!! The crowd goes wild! Ben takes the ball off the Greyhounds and passes it up. Greyhounds throw, Aiden gets it and passes it to Kyle who is dribbling like a pro through the defence. Josh is hanging back, looking strong. Emmanuel clears it to halfway. Interception by Zac, to Eli. Gabriel shoots! Almost! Josh puts in a good kick to Ben who has great ball handling skills. Corner for the Greyhounds but Josh kicks it out of the danger zone, what a good play. Sayan and Luke come on. Good positional play by the Jaguars as Sayan Passes to Gabriel who scores! A great goal. Ben is lighting fast running down the wing, passes it to Daniel who takes a crisp shot and scores! 3-0 to the Jaguars and it's halftime. Coach talks tactics with the team as they devour their oranges. The second half starts off well for us, Zachary and Kia are champions at dribbling the ball up. Eli is goalkeeper this half. Great throw by Kyle, passed down the line to Ben. Luke clears it down to Gabriel who scores! Awesome interception by Kia, Direct free kick for Kingsway. Brody, sorry, Gabriel shoots, bad luck. Brody

does a great throw, a cool kick by Aiden. Nice block by Emmanuel, Kia clears it. A defensive struggle as Greyhounds try to score, wonderful score by a talented player in Greyhounds. It's 4-1 and Kingsway come under pressure again but a brilliant block by Ben followed by an accurate pass to Brody gets us out of trouble. Then Daniel chips it into the net & Kingsway celebrate, it's 5-1. Kia boots the ball down the field and then Gabriel scores almost instantaneously. A hatrick! That is his third hatrick in a row! A hatrick of hatricks! 6-1 to us. Ben chases the ball down and then clears it up. Great play by Daniel, then Kyle, then Ben. Zac does a good throw before a cool set play between Daniel and Kyle. Strong defence by Emmanuel. Awesome set up by Ben, he booted the ball nearly half the length of the field, straight to Daniels feet. He dribbles a bit before curving it perfectly into the goal! A hatrick for Daniel as well! Strange play by Aiden but it worked. The Greyhounds almost score but Emmanuel's defence is flawless. Game over. 7-1 two hatricks by Daniel and Gabriel and a penalty shot by Brody. Well Done Kingsway Jaguars. A huge thanks to our coach! 4 games, 4 wins!

Kingsway Hornets

The Hornets and Lions had a close contest. New field placings had strengthened our defence, but two

quick goals in the 5th and 7th minute were damaging. Everyone played three quarters of a match, but it seemed that in the new pairings of players the Hornets struggled to find a rhythm. There were opportunities to score but shots were not on target. Libby had an energetic game, hassling players and pushing hard 100% of the time. Max had another useful game in defence where he tackled strongly and made very sure of his clearances. The early deficit surprisingly proved too much for the Hornets to pull back, and we went down 1-3. Let's keep talking, Hornets, and see how we can improve to bring out our best.

Kingsway Eagles

We had a close game last Saturday, losing 3-2 to Perth Strikers. It was a well fought out game and a great effort by all the boys. Great job by Chris in the defence and Sam and Nick up front.

U16's Girls

Kingsway Firebirds

Saturday saw us up against the Greyhound Pearls on a beautiful sunny morning perfect for football. We had high hopes after last weeks win and were right in the game only narrowly going down 3-2 in yet another close game. Both Leila and Sophie scored for us with Sophie's goal coming from a beautiful solo run starting at halfway, driving down the left wing into the goal box and slotting the ball neatly past the keeper – awesome effort! Leila ran herself into the ground in an amazing effort and created a chance to equalise late in the game with a scintillating run down the right before cutting the ball back to Mikah in perfect position in front of goal. Unfortunately, her shot was saved but it was exactly the type of play we have been looking for – keep it up!

It was great to see the girls passing, calling and putting all the things we practice into play and to see how far their fitness has come which means

we have the energy to finish our games strongly.

Enjoy the bye next week but we will see you at practice on Thursday as usual.

Kingsway Leopards

Kingsway Leopards 3 vs Kingsway Buffalos 5

Tough day on the pitch for our boys in a well fought battle against the Buffalos.

We started out well, dominating well in the midfield for the first 20 minutes, but were denied any scoring opportunities by a tight Buffalo defence and some great playing from the goally playing well off his line in a deep sweeper role.

The match was a great tussle between both sides who were keen for the win, and saw the buffalos up by 2 early, but then almost a goal for goal battle as the game progressed, with some fantastic attacks and nice goals from both sides.

Our boys worked super hard all game, with a great passing game, and were unlucky on a few occasions not to score, thanks for giving it all you had boys, but in the end thats football, and the Buffalos were too strong on the day.

Hats off to the Buffalos keeper who excelled at closing down almost all our long thru balls, it was some fantastic defence work, and ultimately, i believe, won it for them.

To our boys, keep your chins up, and we will come back stronger next time.

Kingsway Hawks

Kingsway Hawks 1 def by Kingsway Tigers 3

The first Derby of the season on a perfect day for football. These Kingsway Derbies are always keenly contested by both teams and this one was no exception. The Hawks once again started tentatively and were finding it hard to keep their composure under the pressure being applied by the Tigers. That said, it was the Hawks that opened the scoring after a quick counterattack from deep in defence had the ball quickly through midfield where Rhys laid a nice early ball out to the right for Cam who again sliced a damaging ball across the goal face where Tom made no mistake in slotting the ball home. The Hawks lead was short lived however as the Tigers took advantage of some generous defending by the Hawks and brought the scores level. That goal seemed to lift the Tigers who, for the remainder of the

first half, were relentless in their attack on the ball which the Hawks had no answer. By half time, the Tigers had scored twice more for a 3-1 advantage. The hawks lifted their intensity in the second half however as has been a feature in a number of our games this season, it was all too late. The Hawks did manage to put some good passages of play together in the second half and created numerous opportunities without really threatening the Tigers goals. Whilst the Hawks worked hard, once again there was no reward due to a lack of intensity early in the game. As mentioned, our goal scorer was Tom with an even performance from the team without any stand outs. These games are difficult to manage as a coach as for large parts of the game, the team is playing some really good football with the positives outweighing the negatives but were are letting the opposition hurt us during those lapses so far. To finish on a positive note, I am really proud of the way the team has conducted themselves under difficult circumstances. Whilst being behind is never easy, the attitude of the players in playing the games out to the end cannot be questioned. It is with this in mind that I am confident that we can turn this around and feature prominently when the whips are cracking later in the season.
